Arrangements for school closure

Dear parent,

I'm sure you are aware of the Government's decision yesterday, to close all schools in England from Friday. As a school we have been making preparations for this day, and below you will find full details of how your child can still access educational materials from home.

Education

On our school website there is a tab called Home Learning Work. Here children can find work that will be uploaded for them on a daily basis for each year group. We have also attached the link below that you can type into the search engine, if you can't find the link on our school website. The link has also been sent in a text message today.

To access this website, you will need the password which is: **40northtool23**

Below you can see what the website will look like. Please click on the relevant year group for your child. Work will be uploaded on a daily basis for your child to complete at home. If your child is finding the work a little challenging, you are welcome to access other year groups work to support their learning.

If your child completes the work, we recommend that they read to an adult for 20 minutes each day. We have also prepared work booklets for pupils to complete at home and these were sent home last night.

Your child will also have received a log on for TT Rockstars, and classroom Secrets. Please can you ensure that children access these websites as they will have appropriate work for your child to access on a daily basis.

Below is a list of just a few websites that children can access that will be educationally beneficial to them, these links will also be added to our Twitter and Facebook accounts.

Please monitor our school website and social media accounts for new and updated links for any further apps that are recommended.

Communication

You will be kept updated about the closure via text message, Twitter and Facebook. If you have any queries and would like to contact the school, or your child's class teacher there are a few options. You can reply to the text message, e-mail us at enquiries@coleridgepriamry.org, or send us a Direct Message on Twitter and Facebook.

Please check that you have provided us with your most up-to-date contact details to ensure you receive any updates regarding the closure. If you need to provide us with new details, please email us at enquiries@coleridgepriamry.org

We know this will be a challenging time for parents, children and teachers. We pride ourselves on giving your child the best education possible and will continue to do so through this difficult time. We appreciate your support in ensuring your child receives daily learning at home from the website and resources provided. We would love for you to upload any pictures of your child learning on Twitter and copy school into the post so we can monitor children's progress as closely as possible.

If you feel that you need additional support or work from the school, then please do not hesitate to contact us and we will support in any way we can.

Yours sincerely,

Ian Tankard
Head teacher
