

19 October 2020

Dear Parent/Carer,

Online Homework

After the successful launch of Dojo, and the positive feedback we have received, we have made the decision to set homework on the online portal, and use Dojo to send it back to us.

After half term, children will be set homework on a Monday, and this will be available to view from the online portal which can be accessed on the school website www.coleridgeprimary.org

Children will have until Friday of the same week to submit their homework using the Dojo app. If your child doesn't complete the work at home, they will use their breaktime on the following Monday to complete it.

If you would prefer paper copies of the homework, please speak to your child's class teacher.

If you need any assistance with your child's Dojo app log in, please contact school who will be able to provide you with their log in details.

Many thanks for your continued support as we find new ways of enhancing your children's learning.

Kind regards

Mr Tankard
Head Teacher
