

Dear Parent/Carer,

We would like to thank you all, for your amazing support during these difficult times. To support the school further in ensuring safety on school grounds please follow the simple rules below.

School Times

Ensure you arrive and depart with your child at the time shown on the timetable.

Class	Start	Finish
Foundation 1 AM	8.30	11.30
Foundation 1 PM	12.15	2.40
Foundation 2	8.30	2.40
Years 1 & 2	8.40	2.50
Years 3, 4, 5 & 6	8.50	3.00

We understand that families have children in different year groups and multiple trips to school may not be possible. In view of this situation we would ask that the older child be dropped off at school at the same time as their younger sibling. The younger sibling would then be collected at the same time as the older sibling.

Entering and Leaving School

1. Parents and children to socially distance as much as possible and do not congregate on the playground, or near the entrance/exit gates.
2. Only one parent pick and drop their child off at school to limit the number of adults on site.

**Please may we emphasise that children should not be on school property
without an adult present
all children to be taken and collected from their classroom door by their respective adult.**

Smoking on school grounds

We have had numerous complaints about people smoking on the school grounds and at the school entrances. Smoking, including e-cigarettes are not allowed on any of the school grounds. Please can you respect others and refrain from smoking in these areas.

Thank you for your continued support.

Kind regards

I. Tankard
